## OPBOUWDAGEN BLOEMENCORSO DECORATION DAYS FLOWER PARADE

15-17 APRIL @ JUB HOLLAND

JUB Holland verwelkomt opnieuw met trots het Bloemencorso Bollenstreek! Sinds 1947 viert het corso de lente, en ook in 2026 vindt de opbouw van de praalwagens bij ons plaats. De praalwagens zijn te bewonderen van 15 t/m 17 april.

JUB Holland again proudly welcomes the Flower Parade Bollenstreek! The parade has been celebrating spring since 1947, and also in 2026 the decoration of the floats will take place at JUB Holland. The floats can be admired from 15 to 17 April.

# All about JUB

JUB HOLLAND  
Royal supplier of colour

## SINDS / SINCE 1910

JUB Holland is een toonaangevend familiebedrijf dat sinds 1910 actief is in de bloembollensector. Al vier generaties lang combineren wij vakmanschap, innovatie en liefde voor de natuur. Door de facetten veredeling, teelt, handel en verpakking binnen ons bedrijf aan bod te laten komen, bieden wij continuïteit, kwaliteit en flexibiliteit voor onze partners.

JUB Holland is a leading family-owned company with deep roots in the Dutch bulb industry. Since 1910, four generations have combined craftsmanship, innovation and a genuine love of nature. By covering all facets of breeding, cultivation, trade and packaging within our company, we ensure continuity, quality and flexibility for our partners.

## DUURZAME TEELT / SUSTAINABLE CULTIVATION

Het mooie van JUB Holland is dat wij voorloper zijn in duurzame teelt. We zijn MPS A en PlanetProof gecertificeerd en hebben een groeiend SKAL - bio assortiment voor verantwoord geteelde bloembollen. Op onze eigen kwekerij van 25 hectare kweken wij 24 soorten tulpen en 14 soorten narcissen. Daarnaast zijn wij onderdeel van Remarkable Tulips, een collectief dat werkt aan de veredeling van nieuwe, sterke tulpenrassen van de hoogste kwaliteit.

The great thing about JUB Holland is that we are pioneers in sustainable cultivation. We are MPS A and PlanetProof certified with a growing SKAL-organic range of responsibly grown bulbs. On our own nursery of 25 hectares, we cultivate 24 tulip varieties and 14 daffodil varieties. We are also part of Remarkable Tulips, a collective dedicated to breeding new, resilient tulip varieties of the highest quality.

## BETROUWBARE KWALITEIT / TRUSTED QUALITY

JUB Holland levert hoogwaardige bloembollen die aansluiten bij actuele consumententrends en voldoen aan de kwaliteitsnormen van nu én morgen. Met het label Sustainable Supplier of Horticultural Quality Products geven we u de zekerheid dat herkomst, duurzaamheid en teeltkwaliteit aantoonbaar op orde zijn. En onze 100 procent bloeigarantie? Die bieden we niet voor niets – wij staan volledig achter elke bol die we leveren.

JUB Holland supplies high-quality flower bulbs that align with current consumer trends and meet the quality standards of today and tomorrow. With the Sustainable Supplier of Horticultural Quality Products label, we offer you the assurance that origin, sustainability and cultivation quality are demonstrably in order. And our 100 percent bloom guarantee? We offer it for good reason – we stand fully behind every bulb we deliver.

## MEERWAARDE / ADDED VALUE FOR RETAILPARTNERS

Met JUB profiteert u van sterke marges, doordachte actieconcepten en opvallende verpakkingen en displays die de impulsverkoop direct versterken. Onze inspirerende instore-communicatie en 100% bloeigarantie bieden extra zekerheid. Daarnaast kunt u rekenen op voorraad tot laat in het seizoen, snelle nalevering, persoonlijke begeleiding en exclusieve landscape-combinaties die uw assortiment onderscheidend maken.

With JUB, you benefit from strong margins, well-crafted promotional concepts, and striking packaging and displays that instantly enhance impulse sales. Our inspiring in-store communication and 100% flowering guarantee offer added assurance. You can also rely on late-season stock availability, fast restocking, personal support, and exclusive landscape combinations that set your assortment apart.

## BEWEZEN REPUTATIE / ESTABLISHED REPUTATION

Als Hofleverancier van kleur en exposant van Keukenhof heeft JUB Holland een reputatie die al meer dan een eeuw staat voor kwaliteit en vakmanschap. Daarnaast zijn wij een vertrouwde bloembollenpartner voor landscape-projecten door heel Europa, wat onze expertise en schaalkracht onderstreept. Die bewezen ervaring vertaalt zich voor retail in betrouwbare kwaliteit, inspirerende concepten en een merk waarop u kunt bouwen.

As a Royal Supplier of Colour and exhibitor at Keukenhof, JUB Holland has built a reputation for quality and craftsmanship for more than a century. We are also a trusted bulb partner for landscape projects across Europe, underscoring our expertise and capacity. This proven experience translates into reliable quality, inspiring concepts and a brand you can confidently rely on in retail.

# JUB & Duurzaamheid

Een toekomstbestendig familiebedrijf vraagt om keuzes die verder gaan dan één seizoen. Daarom werkt JUB Holland doelgericht aan het verminderen van de milieu-impact, het versterken van biodiversiteit, het creëren van een gezonde werkomgeving en het bouwen aan duurzame relaties. Ontdek hoe wij duurzaamheid concreet maken en actief werken aan de Sustainable Development Goals.

## DUURZAME BOLLENTEELT

- **MPS-A** en **On the way to PlanetProof** gecertificeerde bollen van eigen kwekerij.
- 30-60% minder fosfaatuitspoeling naar het oppervlaktewater door ijzerzand-drains in de percelen.
- Als GLB-demonstratiebedrijf (**BOLDER**) delen we onze kennis en praktijkervaring over het terugdringen van gewasbeschermingsmiddelen.
- Ecologisch proefveld in samenwerking met **Living Lab B7**
- Veredeling van tulpen op virusresistentie en plantweerbaarheid met veredelingsbedrijf Remarkable.
- Het biologisch assortiment wat we op contract laten telen bij een SKAL-gecertificeerde kweker, groeit ieder jaar.
- Actieve deelname in het project Regiocertificering Duin- en Bollenstreek.

## JUB ALS DEMONSTRATIEBEDRIJF

Binnen project BOLDER organiseren we demonstratiedagen, workshops en veldproeven met praktische inzichten: van driftreductie en organische stofopbouw tot nagenoeg chemievrije narcisteelt. Een plek waar theorie, praktijk en innovatie samenkomen.

## PRODUCTIE & MATERIALEN

We werken stap voor stap toe naar een meer circulaire keten, met duurzame inkoop en transparantie als basis, via sterke keurmerken en herleidbare productie.

- Lid van Sustainable Suppliers of Horticultural Quality Products (FSI-aangesloten).
- Verpakkingen met > 90% PCR-folie; 85% gerecycled PP tape, FSC dozen.
- Hergebruik: displays, pallets en fust; zes afvalstromen lokaal gerecycled.

## ENERGIE & CO<sub>2</sub>

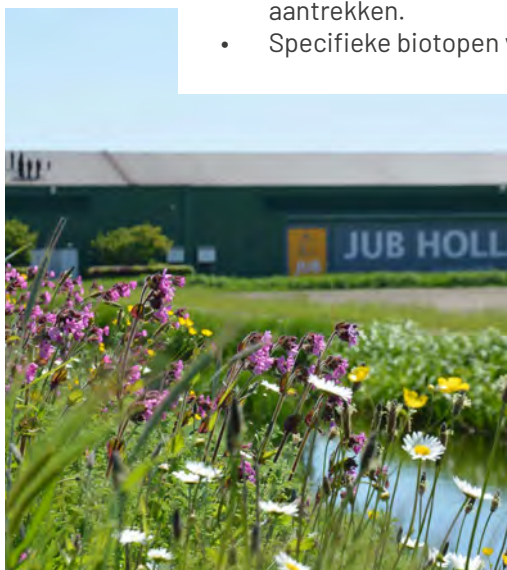

- 100% Nederlandse groene stroom; 971 zonnepanelen.
- Elektrisch intern transport en bedrijfswagens.
- Gas -60%, elektriciteit -12%, totale CO<sub>2</sub> -38% (2022-2025).
- CO<sub>2</sub>-Bewust Certificaat 2025, niveau 3.

*“Minder verbruik, meer eigen kracht.”*

## BIODIVERSITEIT & LEEFOMGEVING

De bedrijfspercelen zijn ingericht als voorbeeld voor een natuurinclusieve bedrijfsvoering.

- Vernieuwde natuurvriendelijke oever, inclusief landschapselementen.
- Ecologisch slootbeheer met behoud van 10% oevervegetatie.
- Bloemen- en kruidenmengsels die bestuivers en natuurlijke vijanden aantrekken.
- Specifieke biotopen voor patrijs en andere bollenvogels.

## DUURZAME INZETBAARHEID

- We zetten ons in voor een veilige, gezonde en prettige werkomgeving.
- Scholing van medewerkers.
- Samenwerking met organisaties voor mensen met afstand tot arbeidsmarkt.
- Stage- en onderwijsprojecten.

## SAMENWERKING

We bouwen aan langdurige samenwerkingen met overheden, kennisinstellingen, bedrijven en onderwijs. Door kennis te delen, innovaties te testen en inzichten toegankelijk te maken, versterken we de duurzame ontwikkeling van de sector.

*“Vakmanschap groeit als je het deelt.”*

# JUB & Sustainability

A future-proof family business requires choices that go beyond a single season. That is why JUB Holland works purposefully to reduce its environmental impact, strengthen biodiversity, create a healthy working environment and build sustainable relationships. Discover how we put sustainability into practice and actively work towards the Sustainable Development Goals.

## SUSTAINABLE BULB CULTIVATION

- **MPS-A and On the Way to PlanetProof** certified bulbs from our own nursery.
- 30-60% less phosphate leaching into surface water thanks to iron sand drains in the plots.
- As a CAP demonstration farm (**BOLDER**), we share our knowledge and practical experience in reducing the use of crop protection products.
- Ecological trial field in collaboration with **Living Lab B7**.
- Breeding of tulips for virus resistance and plant resilience with breeding company Remarkable.
- The organic range that we have grown under contract with a SKAL-certified grower, is growing every year.
- Active participation with the project Regional certification of the Dutch Dune and Bulb Region.

## JUB AS DEMONSTRATION COMPANY

Within the BOLDER project, we organise demonstration days, workshops and field trials with practical insights: from drift reduction and organic matter accumulation to nearly chemical-free daffodil cultivation. A place where theory, practice and innovation come together.

## PRODUCTION & MATERIALS

We are working step by step towards a more circular chain, based on sustainable procurement and transparency, through strong quality marks and traceable production.

- Member of Sustainable Suppliers of Horticultural Quality Products (FSI-affiliated).
- Packaging with > 90% PCR film; 85% recycled PP tape, FSC boxes.
- Reuse: displays, pallets and packaging; six waste streams recycled locally.

## ENERGY & CO<sub>2</sub>

- 100% Dutch green electricity; 971 solar panels.
- Electric internal transport and company vehicles.
- Gas -60%, electricity -12%, total CO<sub>2</sub> -38% (2022-2025).
- CO<sub>2</sub>-conscious Certificate 2025, level 3.

*"Lower consumption, greater self-sufficiency."*

## BIODIVERSITY & LIVING ENVIRONMENT

The company plots have been designed as examples of nature-inclusive business practices.

- Renovated nature-friendly banks, including landscape elements.
- Ecological ditch management with preservation of 10% bank vegetation.
- Flower and herb mixtures that attract pollinators and natural enemies.
- Specific biotopes for partridges and other bulb birds.

## SUSTAINABLE EMPLOYABILITY

- We are committed to providing a safe, healthy and pleasant working environment.
- Training for employees.
- Collaboration with organisations for people who are distanced from the labour market.
- Internship and educational projects.

## COLLABORATION

We build long-term partnerships with governments, knowledge institutions, businesses and educational institutions. By sharing knowledge, testing innovations and making insights accessible, we strengthen the sustainable development of the sector.

*"Craftsmanship grows when you share it."*

### DE BONTE BERM THE VIBRANT VERGE THE VIBRANT VERGE

Om de biodiversiteit te vergroten en een lange bloeitijd te garanderen is het concept van De Bonte Berme ontwikkeld.

To increase biodiversity and guarantee a long flowering period, the concept of De Bonte Berme has been developed.

To increase biodiversity and guarantee a long flowering period, the concept of the Colourful Verge has been developed.

Een zadenmengsel in combinatie met een bloembollenmengsel zorgt voor een vroegere start van de bloei, een verlengde bloeitijd van maar liefst 8 maanden, en verhoogde biodiversiteit, en een sterkere seizoensbeleving.

A seed mixture combined with a mixture of flower bulbs ensures a faster start of flowering, an extended flowering period of up to 8 months, increased biodiversity and enhanced seasonal experience.

# LEVERINGSVOORWAARDEN

# TERMS & CONDITIONS

## Algemeen:

Alle offertes en leveringen door JUB Holland (Jac. Uittenbogaard & Zonen B.V.), geschieden uitsluitend op basis van de algemene verkoop- en leveringsvoorwaarden bloembollen van Anthos, de brancheorganisatie van de handelsbedrijven in bloembollen en boomkwekerijproducten, alsmede onderstaande aanvullende condities. De verkoop- en leveringsvoorwaarden bloembollen van Anthos zijn beschikbaar op de website van JUB Holland. Eventueel door de koper gehanteerde voorwaarden worden hierbij expliciet van de hand gewezen, tenzij schriftelijk anders overeengekomen. Door het plaatsen van een bestelling verbindt koper zich volledig en zonder enig voorbehoud aan deze leverings- voorwaarden en aanvullende condities.

## Offertes:

Alle door JUB Holland gedane offertes en prijsopgaven zijn geheel vrijblijvend. Offertes hebben een geldigheidsduur van 30 dagen. Een overeenkomst komt tot stand nadat deze schriftelijk door verkoper is bevestigd. Alle prijzen van de producten worden vastgesteld in euro's (€) exclusief BTW, Ex Works Noordwijkerhout, tenzij anders overeengekomen. De minimale besteleenheid per product is vermeld op de prijslijst.

## Levering:

Indien JUB Holland producten in geval van overmacht, waaronder mede maar niet uitsluitend oogstresultaten, niet kan leveren, behoudt zij zich het recht voor de overeenkomst geheel of gedeeltelijk te ontbinden of aan te passen. Ofschoon de opgegeven levertijd zoveel mogelijk in acht zal worden genomen, geldt deze levertijd slechts bij benadering en kan deze nimmer worden beschouwd als een fatale termijn. JUB Holland is niet aansprakelijk voor schade als gevolg van niet tijdige levering.

## Betaling:

Betaling dient te geschieden binnen 30 dagen na factuurdatum, tenzij schriftelijk anders overeengekomen. Bij betaling binnen acht dagen is 1% betalingskorting toegestaan. Bij overschrijding van de betaaltermijn is JUB Holland gerechtigd om vanaf de vervaldag de wettelijke rente in rekening te brengen. Zolang geen integrale betaling van alle door JUB Holland gefactureerde bedragen heeft plaatsgevonden, blijven de geleverde producten eigendom van JUB Holland en heeft zij het recht om de producten terug te nemen. Bij nieuwe kopers behouden wij ons het recht voor alleen na vooruitbetaling te leveren.

## Reclameren:

Koper is verplicht de producten bij aflevering te onderzoeken op zichtbare en/of direct waarneembare gebreken. Reclameren dient uiterlijk binnen zeven kalenderdagen na aflevering schriftelijk te geschieden. Door het indienen van een klacht wordt de betalingsplicht van koper niet opgeschort.

De volledige toepasselijke Verkoop- en Leveringsvoorwaarden Bloembollen JUB Holland, inclusief de ANTHOS voorwaarden, staan op de website: [www.jubholland.nl](http://www.jubholland.nl)

## General:

All quotations and deliveries by JUB Holland & JUB Holland UK LTD (Jac. Uittenbogaard & Zonen B.V.) are exclusively made on the basis of the general terms and conditions for flower bulbs by Anthos, the Royal Trade Association for Nursery Stock and Flower Bulbs, as well as the additional conditions below. The full Anthos Terms and Conditions for bulbs are available on the JUB Holland website. Any additional conditions applied by the buyer are hereby explicitly rejected, unless otherwise agreed in writing. By placing an order, the buyer accepts fully and without reservation these terms and additional conditions.

## Quotations:

All offers and quotations made by JUB Holland are entirely without obligation. Offers have a validity of 30 days. An agreement is concluded after it has been confirmed in writing by the seller. All prices of the products are quoted in Euros (€) excluding VAT, Ex Works Noordwijkerhout in The Netherlands, unless otherwise agreed. The minimum order unit per product is stated on the price list.

## Delivery:

In a case of force majeure, including but not limited to harvest results, resulting in that JUB Holland cannot deliver products, we reserve the right to cancel or adjust the agreement in writing, completely or partially. Although the stated delivery time will be taken into account as much as possible, this delivery time is only approximate and can never be considered a strict deadline. JUB Holland is not liable for damage as a result of late delivery.

## Payment:

Payment must be made within 30 days after the invoice date, unless otherwise agreed in writing. When paying within eight days, 1% payment discount is allowed. If the payment term is exceeded, JUB Holland is entitled to charge the statutory interest from the due date. As long as no full payment of all amounts invoiced by JUB Holland has taken place, the delivered products remain the property of JUB Holland and it has the right to take back the products. In the case of new customers, JUB Holland reserves the right to only deliver after advance payment.

## Complaints:

The buyer is obliged to examine the products upon delivery for any visible and/or immediately observable defects. Complaints must be submitted in writing at the latest within seven calendar days after delivery. By submitting a complaint, the payment obligation of the buyer is not suspended.
